

MISSISSIPPI STATE DEPARTMENT OF HEALTH

The Office Against Interpersonal Violence (OAIV) is accepting applications for a **Bureau Director II**. This position serves as the administrator for programs funded through the Violence Against Women Act (VAWA). These programs assist the Mississippi State Department of Health in meeting its mission of protecting and advancing the health, well-being, and safety of everyone in Mississippi. Specifically, the VAWA programs help create and support responses to multiple forms of interpersonal violence that include domestic violence, sexual assault, dating violence and stalking. The VAWA administrator is responsible for coordinating the programmatic and fiscal activities of the programs and serves as the primary day to day liaison with the Office on Violence Against Women through the United States Department of Justice.

OAIV's ideal candidate should have strong customer service and organizational skills; the ability to initiate and manage projects; and the capability to anticipate challenges while developing solutions based on best practices and policy guidance. Please follow this [link](#) to view the job requirements on the Mississippi State Personnel Board website. Preference will be given to candidates with experience in grants management. To apply send your resume to recruitment@msdh.ms.gov with OAIV BD II in the subject line.
